May 2021

Why Trails?

Where would we be without trails? It is a simple question, but it is worth pondering. The longer you sit with this question, the more you will discover the overwhelming impact that trails have on our lives, often in very unexpected ways.

Trail Policy Landscape
Here are some of the policy and advocacy issues we are tracking.

• June 5 is National Trails Day – A Day of Service and Advocacy for Hometown Trails
  Millions of people have found physical, mental, and emotional restoration on trails during the pandemic. Let’s return the favor and care for America’s magnificent trail system and ensure everyone in the U.S. can enjoy trails and
natural areas. Together we can care for our hometown trails and advocate for equitable inclusion outside.

- **Congressman Gomez and Senator Booker Introduce Transit to Trails Act of 2021**
  Congressman Jimmy Gomez (CA-34) and Senator Cory Booker (D-NJ) reintroduced a bill in the House and Senate that promotes equitable access to parks, green spaces, and public lands and waters. The Transit to Trails Act creates a grant program to fund projects that make transportation to green spaces and public lands more accessible for critically underserved communities.

- **Support for the Connecting America’s Active Transportation System Act**
  The Connecting America’s Active Transportation System Act is a major leap forward for America’s transportation future. It provides $2.5 billion in direct funding over five years to help communities and regions across the country to build connected active transportation systems that ensure people can get where they want to go safely by foot, bike, or wheelchair—all while reducing carbon emissions and creating new jobs. Bipartisan co-sponsors Sens. Ed Markey (D-MA), Dan Sullivan (R-AK), and Chris Van Hollen (D-MD) introduced the Senate version of the bill on Feb. 25, 2021. Reps. Chris Pappas (NH-1) and Jared Huffman (CA-2) reintroduced the House version of the bill with 12 additional co-sponsors on May 4, 2021.

- **Recreational Trails Program (RTP) Full Funding Act**
  HR 1864 will more than double RTP funding to at least $250 million. The program is modeled after the Highway Trust Fund and is funded through taxes paid on gasoline used to fuel snowmobiles, ATVs, and other recreational vehicles that do not use highways. Encourage your legislator to co-sponsor HR 1864 now!

Advancing Trails Webinar Series and Learning Credit Opportunities

Free May Webinars
We record all of our webinars which are available for download at any time in our online store. Each webinar also offers a closed caption transcript and learning credits are offered for most.

- May 6 – Introduction to Trail Planning (Part 1 of 3)
- May 13 – Integrating Trails into Park Planning
- May 20 – Using Signage to Turn Your Trail into a Destination
May 27 – Creating a SMART Sustainable Safety Sign Initiative Program

View a list of all of our upcoming and archived webinars...

We plan to continue to offer increased options for training via our Advancing Trails Webinar Series in place of the many conferences that have been canceled/postponed this year and are continuing to hold one webinar per week, when possible. It is also our intention to continue to make all of these webinars FREE to the public. But we need your sponsorship dollars to help make this possible!

All webinars noted below have partner sponsorships available ($250) but only the ones marked with an asterisk (*) have public sponsorships available ($3,000 – listed as main sponsor with more recognition). We added MORE benefits for public sponsors in 2021. Email candace@americantrails.org to become a sponsor today and learn more.

2021 Webinars (With Dates) Available for Sponsorship:

- May 20, 2021 – Using Signage to Turn Your Trail into a Destination (Partner sponsor Voss Signs)
- May 27, 2021 – Creating a SMART Sustainable Safety Sign Initiative Program (Partner sponsor Smart Outdoor, Inc.)
- June 3, 2021 – Using Interactive Maps to Engage Trail Users (Sponsored by Elebase)
- June 10, 2021* – Understanding the National Recreation Trails Program
- June 17, 2021 – Introduction to Trail Design and Development (Part 2 of 3) (Sponsored by South Carolina Parks, Recreation, and Tourism)
- June 24, 2021 – Equestrian Trail Design and Best Practices From Backcountry to Urban Edge Settings (an update to our April 2020 webinar) (Sponsored by Tennessee Valley Authority)
- July 14, 2021* – Trail Construction Cost Estimates
- July 22, 2021* – Trails and Parks: Return on Investment (In partnership with the National Recreation and Park Association)
- August 26, 2021* – Introduction to Trail Management (Part 3 of 3)

2021 Webinars (Dates TBD) Available for Sponsorship:

- Wheels and Legs: How Well Do They Mix? Addressing Nonmotorized Trail User Conflicts (Sponsored by Rhino Marking & Protection Systems)
